

## ***Innovation in the Secure Care Classroom Restrictions and Limitations Notwithstanding!***

**Day:** Wednesday, November 18, 2009  
**Session:** 10:45 am - Noon  
**Room:** Saguaro

### **Presenters:**

**Donna Daniel, Ed.D** – [ddaniel@apache.co.az.us](mailto:ddaniel@apache.co.az.us)  
Apache County's Juvenile Detention  
Goals Achievement Center Teacher

### **Session Description:**

With a few handouts available in advance, and opportunity to discuss the topic of Secure Care creativity limitations and innovations, Dr. Daniel will facilitate this sharing among professionals who are interested, directly impacted, and just curious about the how-tos.

### **How the session addresses Innovation:**

Directly, in regards to teacher innovation to bring creative opportunities to incarcerated students, and innovative artistic experiences for the students.

### **Presenter Information:**

**Donna Daniel, Ed.D.** enjoyed a career as a professional counselor in community mental/behavioral health settings before coming to the single-room Apache Cty JDC school as a Substitute 2 years ago. Now on an ETC getting certified in Special Education, she brings some out-of-the-box ideas to their Secure Care setting.
